

Kim Hennrich

SLS Paraprofessional

We are spotlighting Kim Hennrich. Kim is a very hard worker who goes above and beyond. She is always asking others what she can do to help. In the many years she has worked at Lincoln, you would have never once seen her just standing around. She is constantly busy doing something for others. You can tell in the way she works with students she truly cares about them and wants them to succeed.

Kim is very deserving of this award!
