

Brandi Johnson-Rodgers

SLS Nurse

This week's staff spotlight is on SLS nurse, Brandi Johnson-Rodgers. Brandi has stepped in and stepped up during a very challenging time, all while practicing and maintaining the safe COVID school protocols. She is an excellent example of an amazing healthcare professional and school nurse. She spends her days supporting the medical needs of students and faculty at SLS with patience and the cheeriest disposition. Even though we aren't able to see her beautiful smile behind the mask, her personality and voice radiate the love and care that flow from her heart for anyone who needs her services. Another interesting fact about Brandi is she overcame a fear she had, and provides a chapter of her personal testimony, co-authoring a book entitled, Encountering Love with Jesus. She is most deserving of this acknowledgement and we are so blessed to have her!
