

## Staff Spotlight

### **Sarah Brennfleck**

SLS Social Worker

This week's staff spotlight is on SLS social worker, Sarah Brennfleck. Sarah is what excellence looks like at Sparta Lincoln School. Sarah has an amazing personality and a humongous heart. Her workload is strenuous but, nevertheless, she not only helps students get back on and/or stay on track she actually listens to them. As a great stress reliever, she loves to run. She's ran many marathons large and small but her happy place is on the trails and being with her family.
