

## Shanell Roberts

SLS Cook

This week's spotlight is Shanell Roberts. She is such an asset to our district. She is always friendly and greets everyone with a smile. Shanell has many interests, but the number one thing that she enjoys is cooking. She cooks because she loves to try to cook different dishes from the internet, and it's her stress reliever. Shanell also enjoys camping with her friends because she says, "it's always a great time." Shanell loves hanging out with her girlfriend and exploring new things, taking motorcycle rides to clear her mind, and catching photos of the Midwest sunsets. Shanell loves working at the school with her crew in the kitchen, the staff she interacts with, and the fantastic kids she sees daily walking through the doors.

"If it wasn't for the kids, I get the pleasure to work for and put a smile on their faces just like they do for me, then what's the purpose?" ~Shanell Roberts
