

Marie Russell

EAC Junior High ELA Teacher

This week's staff spotlight is on Marie Russell, EAC Junior High ELA teacher. Mrs. Russell is a dedicated teacher, wife, mother, and friend. She is an amazing teacher with a deep passion for English. Being a person who loves to read, her students are fortunate to have her to pass on this love. She is dedicated to helping others find their inner passion for reading as well. This shows in the way she lights up when talking about the different novels she has read. In her classroom she encourages shared experiences where she develops relationships with her students. She helps her students develop and refine their unique voices through writing. In addition to teaching, she is the lead teacher and track coach at EAC, spending her time outside of the classroom motivating staff and students. She provides guidance and has an excellent rapport with her colleagues. Outside of school you will find Mrs. Russell with her husband, Jeff and their two energetic boys spending time together creating memories going camping throughout the summer and spending time with their friends. EAC is lucky to have the one, the only... Mrs. Russell.
