

Kelly Carpenter

SLS Special Education Teacher

This week's spotlight is Mrs. Kelly Carpenter, SLS Special Education Teacher. Mrs. Carpenter enjoys spending time with her three boys Austin, Wesley and Avery and her Husband Jerry, last week's Spotlight. She loves being a part of the Sparta School District where she is also a proud SHS alumni Class of 1996. In her down time, she enjoys a good book and also a night out dancing. Sparta is lucky to have such a passionate teacher who brings out the best in her students. Thanks for all you do!!!!
