Spotlight

**Susan Ditch**

SLS Social Worker

We are spotlighting Susan Ditch! She is our Perandoe Social Worker at SLS. She is a wonderful advocate for the students and an amazing partner and resource for teachers. She's happy to spend her time helping problem solve with students and teachers, even in difficult situations, no matter how busy she is. She is always very encouraging, calm, and caring. She enjoys spending time with her 5 grandchildren. We appreciate all that she does for students and staff at SLS and she will be greatly missed upon her retirement this year!
