Hannah Parker

EAC Second Grade Teacher

This week's spotlight is Hannah Fullerton. Mrs. Fullerton teaches 2nd grade at EAC. She also coaches softball and basketball and is an absolute rock star of a teacher! She is incredibly hardworking, dependable, and fun! If you ask her students what their favorite thing about their teacher is they'd tell you she's fun, gives the best hugs, and "she cooks pork!" Mrs. Fullerton helps run her family's pig farm, Parker Farms, too! She also became a first-time mom to a sweet baby boy in December and she's rocking that title, too! EAC is incredibly lucky to have her!
