

## Staff Spotlight

### **Tracy Penford**

**EAC Head Cook**

This week's spotlight is Tracy Penford. Tracy is an amazing coworker who goes out of her way to show the kids that she cares. She is always the first one at the school and greets each student by name with a smile, along with a story as they come through the line. Her dedication to the quality of food really shows because everything she makes is delicious. Kids always tell her how good everything tastes. Her laugh is contagious and can be heard through the halls of EAC. In her spare time Tracy loves spending time with her husband Charlie and son Sam riding ATVs and shopping. She loves working alongside Sonya in EAC's kitchen. Thank you, Tracy for everything you do at EAC!!!
