

Staff Spotlight

Jonathan Norton

SLS Assistant Principal/Athletic Director

This week's Staff Spotlight is Mr. Norton! Mr. Norton was one of our favorite high school basketball coaches at SHS! His hobbies and interests include golfing, fishing, watching sports, and spending time with his 3 crazy and amazing kids! He enjoys being part of the district because he also grew up and attended school in the Sparta district and has enjoyed the relationships made over the years with our staff and the community members.
