

Laurie Penford

SHS Paraprofessional

We are spotlighting Mrs. Laurie Penford because she has got to be the hardest working, most compassionate, most loyal, biggest kidder ever. She has put in many long hours, many long days, and many long years for this school district. If you know her, then your kids probably know her and your grandkids probably know her. She has gone from pre-K to the high school library. Not to mention how long she has been the service workers union president. I don't know how much longer we can keep her, but every day she has been here has been a blessing to us ALL!
