Introduction: This guidance comes from recommendations given by the Center for Disease Control (CDC), Illinois Department of Public Health (IDPH), and Illinois State Board of Education (ISBE). This plan is tentative and may change at any time! We will resume full in person instruction 5 days per week with Wednesday dismissals at 1:00 pm for school improvement. Students with medical contraindication will be placed on homebound with doctor authorization or will need to be homeschooled without authorization. **Updated 08/12/21**

I. Health/Wellness

- A. Sparta School District is extremely fortunate to offer a Sparta Community Hospital on-site mobile clinic accessible to the school community each day from 7:30 am until 10:30 am. COVID testing and general treatment for illnesses will be available to those provided consent. More information is forthcoming and will also be available at registration.
- B. Vaccinated students, staff, and volunteers are asked to submit a copy of their vaccination cards to their school office for contact tracing purposes. Any information provided regarding vaccination will be maintained in a confidential manner.
- C. **Governor JB Pritzker announced an Executive Order on August 4, 2021 that requires masks be worn indoors by all teachers, staff, students, and visitors to PK-12 schools who are over age two and able to medically tolerate a face covering, regardless of vaccination status, consistent with CDC guidance.** Groups should be 30 ft apart outside, though there are no masking requirements outdoors.
- D. Social distance as much as possible, maintaining at least 3 feet of physical distance between students within classrooms, combined with indoor mask wearing by people, to reduce transmission risk, where possible.
- E. Symptom screening will be conducted for all visitors. Self-certification is permitted for staff and students ONLY.
 1. By self-certifying and sending your child to school, you are certifying all requirements are met to attend school **each day**.
 2. Keep children home or they will be sent home if they have: 100.4 or above temperature, cough, sore throat, nausea, vomiting, diarrhea, chills, muscle aches, headache, loss of taste or smell, shortness of breath.
 3. No return until fever free for 24 hours without medication.
 4. Identified sick will be isolated to containment area and escorted outside building at pick up.
- F. Temperature checks will be conducted occasionally for staff and students upon entry.
- G. Physical contact of any kind is discouraged.
- H. Disinfection and cleaning will increase schoolwide.
- I. Staff and students will be trained on hygiene protocol and procedures.

II. Instruction

- A. Remote Learning
 1. Remote learning for unvaccinated students placed on quarantine by the local health department will be provided by classroom teachers in a manner convenient for the teacher and student.
 2. Live stream instruction will not be required of teachers.
 3. Students quarantined who actively participate daily per the teacher's expectation will be counted present during their quarantine period.
 4. Students and staff fully vaccinated or consistently masked, will not be required to quarantine if in close contact with a COVID-19 positive individual.
- B. Technology
 1. Every student will be assigned an individual device for learning.

2. Grades 3-12 will have ability to take chrome books home, K-2 check out ipads
3. Email teachers with device issues.
