

Jennifer Reed

SLS Cook

This week's spotlight is Mrs. Jennifer Reed, SLS Cook. She has been chosen as this week's staff spotlight recipient because she always has a smile for the students and she makes her coworkers laugh. Jennifer loves all things Egyptian, Nightmare Before Christmas, and she has very eclectic taste in music, as well. She is married to Jason Reed and has two wonderful sons, Noah and Jonah who she loves dearly. If she's not hanging out with her family, friends, or adorable dogs, you'll find her trying new recipes and decorating her house with all sorts of neat things she finds.
